**The Woman's Journal,**

No. 3 TREMONT PLACE,

Boston, Nov 28<sup>th</sup> 1871

Dear Mr. Garrison,  
30 Mr. Billings is  
very much troubled that  
you do not go to him  
to sit for your picture.  
He wants to make a fine  
portrait and the time be-  
fore the Bazar is now so  
short that he begins to feel  
quite anxious. If it is  
convenient to you Mrs. Chas.  
Porter will make an arrange-  
ment with Mr. Billings to  
have you sit tomorrow morn-  
ing - say - perhaps ten-o'clock.  
Mrs. Porter wishes to hear from  
you immediately.  
Yours truly, Mrs. Chas. Porter  
per Sec.
